

EASTERN IDAHO STATE FAIR – 2009

DAILY ATTRACTIONS

Exhibit buildings open each day from 10:00 a.m. to 10:00 p.m. Carnival rides supplied by **Butler Amusements** open at 12:00 noon on both Saturdays and Friday, at 11:00 a.m. on Monday, and at 1:00 p.m. all other days. This year we're featuring down home entertainment with the **K9 Kings Dog Show**. This flying dog show features ten different breeds of dogs, including the fastest disc dog in the world, a daredevil dog agility competition, and a comic book superhero dog. Also for your down home entertainment, The Great American Animal Entertainment Company will present **GASCAR** and **Farmyard Follies**. **GASCAR** is the hottest new animal-related attraction this year. It's interspecies animal racing, with goats, pigs, sheep, and a duck. You never know what crazy things the animals might do! **Farmyard Follies** is a funny and educational animal show featuring goats, sheep, llamas, and deer performing the with infamous, trouble-making, spotted donkey, Fiona-No-No. As part of the whole package, we will showcase an Ag-Venture Kids' Area, with agricultural and educational activities including goat and cow milking, corn and bean boxes, music, crafts, and more. All this is free, so come in and stay as long as you like. The free entertainment on the two stages is phenomenal. If you like good fun music, you will love **Lloyd Mabrey**. He is a singer, comedian, songwriter, entertainer, recording artist, storyteller, author, 12 string guitarist, actor and pretty darn good improviser, a cross between John Denver, James Taylor, and Glen Campbell. The **Doo Wah Riders** are back with their high energy country songs with a cajun twist. Their arrangements of classic, contemporary, and original songs have made them popular everywhere they go. We are proud to have **Herb Dixon** back, as he is one of North America's most sought-after comedy acts. His Harley motorcycle imitation will have you roaring with laughter. His show comes with a warning - it's too funny, and may cause tearing, sore cheeks, side splitting, and blissfulness. Jeff Martin, the blonde curly-haired magician, is a professional illusionist who suspends women on brooms and kids on chairs. His act is full of audience participation, and his feats of magic bring peals of laughter from everyone. Look for Jeff on the Food Court Stage. The award winning **Master**

Hypnotist, Michael Mezmer will present his “dream catcher” comedy hypnosis show on the West Events Stage. Having earned a PhD. In psychology, Michael is a recognized expert in the field of hypnosis. Plan on coming early to get a seat to watch this popular show. Again this year **Jules Ross**, Mime, strolling around the grounds, looking for someone like you to make fun of. The Toddler Driving School, All Star Mechanical Bull, Atahualpa, Game Time, Nascar Remote Control Racing and the Pitching Cage are all back again this year. Portneuf Medical Center of Pocatello will offer free body fat analysis, blood pressure screens, and BMI daily. The Mammogram Coach is located in the West Events area. Digital mammography with some reduced-fee exams will be daily. Health professionals will be available to answer questions and provide information for all visitors.

See you at the Fair, September 5 - 12!
