It is a guiltless (fresh fruit) but has enough sweetness to satisfy the pickiest of eaters. Come taste a little bit of heaven in a cup at Snappy's Funnel Cakes.
The Bread Barn	What the Sam Hell Slice	The Bread Barn has been a family run business for 35 years! Our father, Wes DaBell was a major part of the booths success. Last year on the first day of the Fair, he was diagnosed with a rare and very aggressive form of cancer and passed away 5 months later. In his honor, we introduce his favorite way to eat our delicious hot slices of bread! All four of our toppings on each corner of the slice - Butter and homemade strawberry jam, our original creamy honey butter, raspberry honey butter, and huckleberry honey butter. His response struck when he saw what we'd done and that's how the "What the Sam Hell" slice started. Please enjoy your delicious slice as we celebrate his fun personality here with our EISF family!
