**Check-in: 10:15 – 10:25 a.m. (Contestants that arrive later than 10:25 a.m. will not be allowed to participate).**

**4-H Building**

*Eligibility:* Contestants (8-18 on January 1 of current year) who received a blue ribbon at a local level event will be eligible for participation at the EISF contest. Registration must be completed through your county Extension Office. Registration forms and \$5 registration fee per contestant must be postmarked by August 21, to Laura Sant at the Franklin County Extension Office.

The EISF 4-H Super Shopper Contest is a competitive state level event that enables 4-H'ers to practice making decisions based on information about a situation and four available marketplace options. This contest is an opportunity to practice marketplace knowledge and skills and to compare personal decisions with the decisions from a panel of judges who are knowledgeable about today's market place and its various goods and services.

Participants are required to place or rank-order the options. There will be four articles or options of one kind to rank. This group of items is called a class. Study guides provide research and factual information about the classes. For each class, a buying problem or situation is presented. The situation describes a scenario—a hypothetical set of circumstances somewhat like a case study. Contestants assume the role of consumers in the situation. Contestants will consider which item best fits the needs, wants, and criteria described in the situation provided. Contestants will base their decision on information learned through the study guides, participation in county Super Shopper Contests, and other background knowledge and consumer experiences.

Five minutes will be allowed for each class, and a two-minute warning is given before the time is up. One minute is allowed between classes. Products must be handled carefully so the quality will not be changed or the labels removed. No talking is permitted, and contestants may not leave the room while the contest is going on. Contestants will be given one warning about the "no talking" rule. Thereafter, points will be deducted from the placing score—two points for each reprimand.

Contestants will meet individually with a judge to share the reasoning behind their placing. This is called giving oral reasons. Each contestant will be given 2 minutes to share oral reasons from one class that the judge has chosen.

Contestants will turn in the placing cards as directed after giving oral reasons. It is important that each contestant include their contestant number and all four products on the placing card. The person in charge will put all the cards representing one class together and send them to the tabulators for scoring.

Premiums will be paid on the top 6 places in all categories.

Contestants placing in the top 4 places in the Senior Division and are 14 years or older may qualify for the Western National Roundup 4-H Consumer Decision Making Contest. The Roundup is held in January of the following year. Contestants choosing to participate will be notified by the EISF 4-H Super Shopper Contest (Consumer Decision Making Contest) committee about registration and eligibility.

**Guide Dog Puppy Class (4-H Guide Dog Puppy).** Some 4-H members participate in 4-H Dog by raising a Guide Dog Puppy (GDP). These puppies are bred in California at Guide Dogs for the Blind Inc., and sent to 4-H homes at the age of 8 weeks. Children raising GDPs should compete in obedience at their county fair in a special Guide Dog Class. GDPs may be entered in a regular Showmanship class. Since the 4-H members raise the puppies for only one year, all GDPs will be "puppies".

Most will be 6-7 months old; some will be just under 1 year. If the GDP earns a blue ribbon in Obedience and/or Showmanship at the county level, the puppy and handler are eligible for the Eastern Idaho State Fair. They should be entered in a regular Showmanship class, and /or the Guide Dog Puppy Obedience class. GDPs are judged from the 4-H Beginners score sheet (Leader's Manual) with some variation.

All exercises are done on 6' Leash

1. Heel on leash and figure eight.....40 points
  - a. GDPs are allowed to walk slightly ahead of the handler. (Proper heel position is forging slightly.)
  - b. GDPs should not do an automatic sit. GDPs should remain standing unless they are given the verbal command to sit. When the judge calls a "Halt", the dog should stop slightly ahead of the handler at a stand.
2. Stand for examination .....30 points
3. Recall.....30 points
  - a. Guide Dogs For the Blind has requested that their GDPs not be taught a formal recall. GDPs are to be taught to "Come" on one command to within reach of the handler. Touching the handler is desirable. The handler is encouraged to pet the dog.
4. Long sit.....30 points
5. Long down .....30 points
- Total .....160 points

**Dog Showmanship Contest**

4-H members will enter the contest according to the categories listed in the general rules. In Showmanship, the GDP and handler will be judged the same as any other dog/handler in the class. Handlers of GDPs MAY NOT, however, bait the GDP (GDPs are not allowed to take food from the hand).

3. Entry forms, liability waivers, and a \$10 fee per exhibitor (\$5 for awards & \$5 for show fees) must be submitted to the Extension Office in their

- respective counties. Certification of 4-H Horse project member accident insurance coverage is required. All county Extension offices must send completed and signed entry forms, liability waivers, and fees postmarked by Wednesday, August 21, to Jefferson County.
4. No 4-H member or horse may show unless they are enrolled in a bonafide 4-H horse project, FFA Chapter, or Pony Class in their respective county.   6. No exhibitor may show more than one horse in any one class except team events in Driving Division.

The individual must notify the EISF Junior Horse Committee in writing and submit a letter written by a licensed veterinarian stating the horse was indeed injured and unable to perform on the day of the show.
  8. Age divisions for horse events shall correspond to 4-H age requirements.
  9. The EISF Junior Horse Show Committee, the EISF Fairboard, and the University of Idaho 4-H will not be responsible for any accident that may occur to or be caused by any horse or exhibitor at the show, or for any article of any kind that may be lost, destroyed or in any way damaged. **JUNIOR LIVESTOCK SALE - MARKET ANIMALS****Sale Order: Goat, Sheep, Beef, Swine****6:00 p.m. Friday, September 6, Beef Show Arena****Sale Rules:**

1. Every animal entering the sale must be owned by either a 4-H or an FFA member and weighed for EISF at the designated weigh-in. A youth may tag one (or several) animals of each species for both his/her county and Eastern Idaho State Fair. Animals that have been shown in a county fair market animal class intended to qualify for a county fair sale cannot be exhibited in the junior show and resold at EISF. The Extension Educator or Ag-Ed instructor from each county or chapter will be responsible for verification of ownership and project enrollment.
2. **An official EISF tag and button must identify all market animals destined for the sale.**

3. Entries for the Market Animal Sale are limited to those counties participating in the Eastern Idaho State Fair. All animals are REQUIRED to be listed on an official 2013 EISF Jr. Livestock Show entry form with the Market Animal Sale committee to enter the sale. This is the Extension Educator's or Ag-Ed instructor's responsibility. Entry forms will be available in the EISF Supplement, at each county Extension Office and will be due from the county office to the Extension Educator listed on the entry form postmarked by August 21, 2013.
4. **All animals may weigh one time only.** Any animals that arrive without tags or wrong tag information and all lightweight animals will be disqualified and cannot be shown in any class.
  - Market Beef minimum final weight 1,050 pounds.
  - Market Lamb minimum final weight 110 pounds.
  - Market Swine minimum final weight 230 pounds.
  - Market Goat minimum final weight 70 pounds.
5. Exhibitors are responsible for ensuring that all drugs administered to any market animal meet the withdrawal period prior to sale day. Sale animals and carcasses found to have recent injection sites and/or violated medical withdrawal times will be investigated and may result in forfeiture of sale check by seller.
6. Beef, sheep, swine, and goats, will be sold without a shrink.
7. The 4-H and FFA member will be responsible for the care and cleanliness of his/her pen or stall unless excused by the Market Animal Committee. Exhibitors shall clean their pens and stalls of debris, feed, and bedding upon arrival at the fairgrounds. Exhibitors are required to care for their animals and keep their stalls clean through 12 noon on Saturday after the sale. A \$90 charge for beef and \$50 for all other animals will be charged to the exhibitors or family for pens not kept clean.
8. All youth will be REQUIRED to exhibit their own animal in BOTH quality and showmanship classes to be eligible to sell their market animal in that species.
9. Livestock will be placed in sale order by the judge of each species. Class winners are not guaranteed a slot in the sale order.
10. Rosette ribbons will be awarded to Grand and Reserve Grand Champion market animals (beef, sheep, swine, and goat) at the time of judging. These and other ribbons earned at the EISF may be displayed with the sale animals.
11. **DRESS CODE:** Exhibitors must wear a shirt with a collar and long pants in order to show and sell. No sweats or open-toed shoes are allowed. FFA exhibitors must be in official FFA attire to show and sell. Youth will not be allowed in the show or sale ring until properly dressed.
12. Exhibitors will be allowed to sell one (1) animal only, unless a participant wins overall grand or reserve grand champion in more than one species. The participant must sell all champion animals.
13. Only the top 20 animals per market beef, sheep, and swine may sale. Only the top 10 market goats may sale.
14. Market animal exhibitors with multiple animals will have one hour after the shows to declare which animal they will sell. After that time, it will be at the discretion of the sale secretary which animal will sell.
15. Locally slaughtered animals: 4-H/FFA members will receive bid price less commission as determined by the sale committee. Resale animals: the 4-H/FFA members will receive from the local buyer or supporter the difference between the established floor price per pound and what the resale buyer pays less commission as determined by the sale committee. Payment to 4-H/FFA members will be made following payment received from buyers and after thank-you notes have been sent to the buyers. Each county Extension office will receive a list of buyers after the sale. Participants must bring thank-you notes to their county's office and ask someone to notify Bingham County Extension Office when the thank-you note has been sent. Only then, and after buyers have paid, will checks be mailed.
16. A commission of \$45 each for beef and \$25 each for sheep, goats and swine will be deducted from the livestock check.
17. All market animals entering the auction ring must be sold.
18. The sale committee will determine the floor prices.
19. Any boost moneys added to individual exhibitors will not be processed or publicized at the sale.

20. Grievances. Any issue/grievance that cannot be resolved by the species show chair shall be presented to the Market Sale Executive Committee in writing within 2 hours of the issue/grievance. A \$25 fee must accompany the written issue/grievance. The \$25 fee will be returned if the grievance is overturned. The decision of the Market Sale Executive Committee is final.
21. Terms of the sale shall be cash and/or bankable check.

#### 4-H Dairy Judging Contest

Friday, September 6 • 9:00 a.m.

#### Yellow Show Barn

There will be four or six classes including heifers and cows with one reasons class. Teams will consist of three or four 4-H members. The three highest scores from a team will count toward the team score with the lowest score dropped. Individuals may participate in their age division if exhibiting in the Junior Dairy Show. Registration form is available in the EISF 4-H Supplement.

#### Dairy Skill-a-thon

Friday, September 6 • 12:00 p.m.

#### Yellow Show Barn

The skill-a-thon will provide youth the opportunity to exhibit their knowledge of animal projects through hands-on learning activities. Youth will be able to gain self-confidence and skills in one-on-one communication as well as feel more comfortable communicating with an adult. Youth will participate in at least four learning stations and be scored from 0 to 25 points at each station with 100 points possible for the skill-a-thon. Activities will be tailored to each age group, giving all exhibitors an equal opportunity.

**State 4-H Livestock Judging Contest**  
**Saturday, September 7 • 9:00 a.m.**  
**Yellow Show Barn**

Classes will be judged in a designated area and include beef, sheep and swine. At least one set of oral reasons per species will be required.

Each county in the State of Idaho is entitled to send one A-division team to the contest. Members of these teams must be at least 14 years of age on January 1 of the current year. The A-division winning team of this contest will qualify to attend the Western 4-H Roundup Livestock Judging Contest to be held in January of 2014 (age requirement follows National rules). The qualifying team for the contest is awarded \$500 to help defray costs. If the team does not go to the contest, the money is forfeited. An alternate team will be chosen if the first place team is not willing or able to attend the Western 4-H Roundup contest.

Each county may also send one B-division team and one C-division team. Members of the B teams must be 13 years of age or under on January 1 of the current year. Teams made up of youth of mixed ages may enter either as A-division teams or C-division teams. A-division teams made up of differing ages are not eligible for the Denver Competition.

The teams shall consist of four members with an alternate entering in case one of the team members is unable to attend. The top three scores from each team are used for the teams' scores. The contest will consist of 2-3 classes each of Beef, Goats, Sheep, Swine, and reasons. This means there will be no fewer than 2 animal classes per species plus at least one reasons class per species. Due to the difficulty of the Denver Show, this contest is given to prepare teams for the rigors of Denver. However, if teams want to participate without any intention of going to Denver, they may enter as a C-division team

and complete only one reasons class in the species of their choice. The choice of reasons class for each team member must be made prior to the beginning of the contest. This will "lighten the load" for those youth desiring to participate in the judging contest, who are not ready to participate/prepare for the Denver experience.

**Divisions**

- A. Members > 14 as of Jan. 1 (this division may also include teams of mixed ages. Mixed-age teams are not eligible for the Denver competition.) Must complete all reasons classes.
- B. Members < 13 as of Jan 1. Must complete all reasons classes.
- C. Members any age in 4-H. Completes only one reasons class- declare species at check-in.

**Awards:**

- Division Awards: Award presented to top team in each division with rosettes to top 3 teams
- Individual Awards: (Individuals must be members of a registered team: C division participants will compete separately from the A and B division participants.) Award presented to the top individual in each division and rosettes to the top 5 individuals in each division.

The cost for the contest is \$30 per team. This will help defray the cost of a judge and provide a meal for the team members and one adult advisor. Team members and advisors will need to show proof of participation in order to partake of the meal provided. Money for the teams must accompany the registration in order to be qualified to attend. An Extension Educator from the participants' county must sign the registration form in order to validate the registration of the teams. If you have any questions regarding this contest, please contact Scott Nash (785-8060).
