

# **Stock Dog Trial**

**Saturday, Sept. 3, 2016 at 8:00am**  
**at the West Events Arena**

Stock dog trials at the Eastern Idaho State Fair have been held in one form or another since the late 1980's. These trials are "Open to the World" and to any breed of stock dog. It is sponsored by the Eastern Idaho State Fair and the Eastern Idaho Stock Dog Association. The trials are held to showcase the skills of good working dogs and to increase the knowledge base of the general public about working dogs in general. Most of the dogs participating come from local breeders and working ranches. The first trial on sheep will start at 8:00 A.M. There will be a stock dog demonstration on cattle at the conclusion of the first trial. The 2nd trial on sheep will begin around 11:00 A.M. There will be a judge's meeting with all handlers 30 minutes prior to the start of each trial. The trial course will be posted at that time.
