Camille's Crepes	Hot	A dessert the Queen herself would be proud of! Inspired by the popular British dessert "Banoffee Pie," this crepe comes packed full of dulce de leche, graham crackers, chocolate chips, bananas, and, to top it off: whipped cream, cinnamon and sugar, and toffee bits.
Sweet Temptations	Hot	Our "made from scratch" sweet bread dough is cut into bite size chunks and lathered in cinnamon & sugar then baked to perfection. It is topped with sliced peaches, our delicious homemade caramel sauce, and our signature cream cheese frosting. Topped off with soft serve vanilla ice cream and lightly dusted in cinnamon takes this temptation to the next level.
Creamy Creations	Hot & Cold	Golden Oreo Ice Cream topped with warm homemade luscious Peach Crisp drizzled with sweet glaze and salted caramel.
Lemon Smashers	Cold	One part the best and freshest lemonade around; one part mountain huckleberry puree; one part smooth, creamy and dreamy (our own base mix.) For a year and a half this idea has been tested to develop this creamy base mix that is non-dairy and made without milk nuts. Our base turns ANY of our drinks into a thing of beauty. As always...shaken, never stirred.
La Casita Mexican Food	Room Temp	Fresh churros bites, lined with fresh strawberries and bananas, topped off with whipped cream, drizzled with dark and white chocolate & a cherry on top.
