5. No dogs or any animals not exhibiting or competing are permitted on the fairground except for service animals for persons with disabilities. The Eastern Idaho State Fair's service animal policy governs the use of service animals on grounds by persons with disabilities only.
  - DEFINITION OF A SERVICE ANIMAL -- "A service animal is a DOG that has been individually trained to do work or perform tasks for an individual with a disability.

The task(s) performed by the dog must be directly related to the person's disability." (Americans with Disabilities ACT)

6. The Superintendent and/or the Judge has the authority to excuse any unruly horse or any animal. Exhibitors can also be excused for improper equipment or attire according to breed or department standards.

## **VI. COMPETITION/JUDGING**

1. Competition is defined as a contest for supremacy between three or more animals, products, or articles owned by separate exhibitors. Three exhibits entered by the same person or household does not constitute competition. When a joint interest in the ownership of an animal/exhibit is apparent or perceived by the Fair Board/Fair Management, competition will be considered not to exist. However, the actual ownership might be separate.
2. Awards will be made according to the merits of the exhibit. If no competition exists or if an article is not worthy of 1<sup>st</sup> place premium, the Judge may disqualify or award 2<sup>nd</sup> place, 3<sup>rd</sup> place, or 4<sup>th</sup> place at their discretion. Only one of each placing in any one class will be awarded unless otherwise specified. Where no competition exists but the Judge deems the animal or item worthy of a blue ribbon, it can be considered for Grand Champion.
3. No animal or article deemed unworthy shall be awarded a premium. The Judge's decision will be final.
4. Exhibitors making entries and not exhibiting shall forfeit any entry fee and exhibitors' tickets.
5. No Director of this Fair shall act as Judge in any class, nor shall any exhibitor in any given class act as Judge for that class.
6. If called upon, the judges will be expected to give the reasons for their decisions, embracing the value and desirable qualities of the animals or articles for which the awards were made.
7. Prior to judging, each Superintendent will inspect all exhibits in their Department to determine if they are entered in the class in which they should compete. If the Superintendent and Exhibitor cannot reach an agreement on the classification, it shall be reported to Fair Management. Classification will then be made by a committee appointed by the Manager, whose decision shall be final. In cases where it is obvious that entries are not correctly entered, the change may be made by the Department Superintendent for adjustment.
